Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the 4-H Infrastructure Project in fiscal year 2024. The entity to receive funding for this project is the Cornell Cooperative Extension Association in the State of NY, Orange County, located at 18 Seward Ave, Suite 300, Middletown, NY, 10940. This funding would be used to extend the 4-H Park facilities for year-round use for Cornell Cooperative Extension Orange County programming and community agencies' use through infrastructure expansion. This center is a good use of taxpayers because, as a community center, the 4-H Park is for public use, as a place to hold educational programs and events which are inviting to all.

This project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5035(a)(2).

I certify that I have no financial interest in this project, and neither does anyone else in my immediate family.

Sincerely,

Patrick K. Ryan  
Member of Congress
